

Risk Warning

CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. 76% of retail investor accounts lose money when trading CFDs with this provider. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

Spread betting, CFD and Forex Trading are leveraged products and your capital is at risk. They may not be suitable for everyone. Please ensure you fully understand the risks involved.

Our Risk Warning Notice can be found in the Terms and Policies document. It summarises the key risks involved in trading on an underlying product. It also explains leverage, the nature of margined trading, and volatility.
