

## DISCLOSURE FOR CLIENTS INTRODUCED BY THIRD PARTIES

---

The undersigned Client(s) ("Client") acknowledges the following with respect to Client's account(s) with Tradefair, which has/have been introduced to Tradefair by

\_\_\_\_\_ ("Referring Party"):

1. Tradefair does not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice Client may have received or may receive in the future from Referring Party or from any other person not employed by Tradefair regarding cfd, foreign currency or exchange ("spot forex") trading or the risks involved in such trading.
2. Tradefair provides risk disclosure information to all new Clients when they open accounts. Client should read that information carefully, and should not rely on any information to the contrary from any other source.
3. Client acknowledges that no promises have been made by Tradefair or any individual associated with Tradefair regarding future profits or losses in Client's account. Client understands that cfd and spot forex trading is very risky, and that many people lose money trading.
4. If Referring Party or any other third party provides Client with information or advice regarding cfd or spot forex trading, Tradefair shall in no way be responsible for any loss to Client resulting from Client's use of such information or advice.
5. To the extent Client has previously been led to believe or believes that utilising any third party trading system, course, program research or recommendations provided by Referring Party or any other third party will result in trading profits, Client hereby acknowledges, agrees and understands that all cfd and spot forex trading, including trading done pursuant to a system, course, program, research or recommendation of Referring Party or another third party involves a substantial risk of loss. In addition, Client hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of Referring Party or another third party will not necessarily result in profits, avoid losses or limit losses.
6. Client understands that Referring Party and many third party vendors of trading systems, courses, programs, research or recommendations are not regulated by a government agency.
7. Because the risk factor is high in cfd and foreign currency transactions trading, only genuine "risk" funds should be used in such trading. If Client does not have the extra capital the Client can afford to lose, Client should not trade in the cfd or foreign currency markets that Tradefair offer.
8. Client understands and acknowledges that Tradefair may compensate Referring Party for introducing Client to Tradefair and that such compensation may be on a per-trade basis or other basis. Further, the Client has a right to be informed of the precise nature of such remuneration.
9. Client understands and agrees that if Client's Tradefair account information, including address, phone number, and e-mail address to enable referring party to provide ongoing training and assistance, updates on company activities and any other on-going information to be of assistance in client's trading, as and when available. The Referring Party shall not have the right to enter into any trade on Client's Tradefair account unless authorised by Client under a power of attorney between Client and Referring Party granting such Referring Party the right to trade on Client's account.

**This additional disclosure is in addition to, and supplements, but does not replace any other disclosures provided to a Client by Tradefair.**

I have read and fully understand and agree to the foregoing.
