

FEE SCHEDULE

Tradefair charges no fees for opening or closing trading accounts, monthly maintenance or withdrawing funds unless certain types of wire transfer are requested.

Inactive Accounts: Customer accounts will be subject to a monthly inactivity fee if no trading activity has occurred for a period of 60 days or more. Trading activity is defined as the opening and/or closing of a position or maintaining an open position during that period. Please see below for our fee schedule. If you do not intend to trade on your account for any extended period, please contact us by one of the methods shown at the base of this schedule and ask for your account to be disabled. Accounts can be re-enabled at any time and inactivity fees will not be applied to disabled accounts.

Initial Deposit	200.00	225.00	225.00	225.00	150.00	150.00	18,000.00	600.00

When depositing funds into your Tradefair account, please send the same currency as the base currency of your Tradefair account. Your bank will often convert your funds for a nominal charge.

If you must deposit or withdraw funds in a currency other than the base currency of your Tradefair account, Tradefair will convert the funds to your base currency. The conversion rate will be the current Tradefair Ask (Buy) rate plus a conversion premium of up to 3%. This premium covers the cost of purchasing small and uneven amounts of physical currency from other parties. Incurring this premium will reduce the net amount of funds deposited or withdrawn.

Funds Transfer Release Conversion Fees: A conversion fee of 1% will be charged on transfers between accounts with different base currencies.
