Re: Base 10 Trading Lot Size Authorization

Please be advised that I, the undersigned customer, have elected to establish my account listed below as a Base 10 Trading™ (“B10T”) account.

I understand that it is my decision to establish the lot size for trading in my B10T account and that the established lot size will apply to trade in my account after this authorization is approved by Tradefair Financials.

I further understand that that I may subsequently change the lot size in my account only by executing a superseding B10T lot size authorization and that such superseding lot size authorization will be effective only upon approval by Tradefair Financials*.

I authorize Tradefair Financials to establish the lot size(s) in the specified products in my account(s) as follows:

Products: Spot Forex FX Options Both Spot Forex & FX Options
